Dear Sir/Madam,

For more than fifty years, Holy Spirit School has provided youngsters with a quality education, instilled faith and created a community where all God's children come together. On December 1st, our school's parent association will be hosting our fortieth annual Winter Auction (tricky tray). This is our biggest fundraising event for our school; its primary focus is to help provide for a multitude of educational aids and opportunities for our students.

Through the generosity of private donors, business owners, corporations and merchants, the past thirty-nine auctions have been successful. Through these tax-deductible donations, such gifts have enabled us to purchase smart boards, computers and visual aids, sponsor school programs and provide tuition assistance for families in need. Additionally, these donations have helped to supplement other expenses incurred by the school in both scholastic and extracurricular activities such as our theater group.

We sincerely hope that you will find it appropriate to make a donation to our auction this year. On average, our event hosts well over 400 hundred guests and participating businesses will be prominently featured in our event program (please include a business card or your company's logo with your donation). All donations are greatly appreciated and are tax deductible. **To ensure listing in our program, please send us your donation by November 11, 2017.**

Should you have any questions or need any additional information, please feel free to contact Holy Spirit School at (908) 687-8415. Thank you in advance for your consideration.

Sincerely,

Rebecca Kelly
